## **2. Duration of Performance**

### **2.1. Standard Routine Durations**

The duration of standard Hoverboard Dance performances ranges from 2 minutes to 4 minutes for a single item, and up to 6 minutes for a medley performance of multiple items.

These durations are the recommended length for stage performances that serve as a feature in the event program. This ensures the maximum amount of lasting impact on audiences.

## **3. Hospitality**

### **3.1. Dressing Room Requirements**

#### *3.1.2. Costume Racks*

All dressing rooms shall be equipped with one standard height garment rack on wheels to store Hoverboard Dance costumes.

#### *3.1.3. Tables and Chairs*

All dressing rooms shall be equipped with a table and enough chairs to seat all

performers and two technicians.

#### *3.1.4. Security*

Client provides security of all dressing rooms within which Hoverboard Dance costumes, technical equipment and cast personal belongings are stored.

### **3.2. Drinking Water**

Ample supply of pure drinking water and cups shall be provided for the performers and technicians.

### **3.3. Meals**

A light meal shall be provided for the performers, technicians and coordinators. All food provided requires a “Halal” certification.

### **3.4. Restrooms**

Restroom facilities shall be within close proximity to the dressing room. Restrooms shall be clean, sanitary and separate from restrooms for audience members if possible.

### **3.5. Overseas Performances**

Should the performance be held outside of Singapore, all travel, accommodation and other related costs for the Hoverboard Dance performers and technicians shall be borne by the client. If preferred, Wildfire Holdings Pte Ltd can provide arrangements for travel and accommodation and will endeavour to do so with cost-effectiveness and convenience in mind.

## **4. Stage Requirements**

### **4.1. Stage Set-Up**

The stage or performance area for Hoverboard Dance performances must be clear of structures such as podiums, rostrums or technical equipment unrelated to the performance itself. The stage surface on which the performers dance shall be flat, level and clear of any cables required for the venue's technical set up. Hoverboard Dance should be performed on a stage surface that does not have grooves or indentations and is free of water. The stage surface should be standard and not slick. Stage floor shall be able to withstand weight of all performers and technicians before and during the performance. Performers and technical crew from Wildfire Entertainment shall be allowed to mark the stage surface with tape marks should they be required.

## 4.2. Stage Dimensions

The average stage dimensions that are required for Hoverboard Dance performances varies depending on the number of performers hired. In order to ascertain whether your event stage dimensions will be sufficient, please consult Wildfire Account Manager to discuss the specific performance requirements (contact details can be found on page 2).

## 4.3. Audio-visual Technology

### 4.1.1. Sound System

A suitable sound system to project audio throughout the performance venue. Music tracks will be provided by Wildfire Holdings Pte Ltd via email in digital format prior to the event.

### 4.3.1. Monitors

No less than two monitors, synced with the front of house speakers playing the act's track, shall be placed on stage left and stage right for the performers during the performance.

#### 4.4. Placement of Technicians During Performance

All *Wildfire Entertainment* crew shall have a clear line of sight of the stage from their stations placed near the stage during the time of all onstage rehearsals as well as the performance itself.

#### 4.5. Lighting Requirements

The *Wildfire Entertainment* stage manager for the Hoverboard Dance act will discuss the required lighting states with the lighting crew assigned to the event. This includes general stage lighting, follow-spots, backdrop and podium lighting. Generally, full stage lighting is recommended for illuminating the performers.

### 5. Scheduling

#### 5.1. Standard Event Day Schedule

##### 5.1.1. Technical Rehearsal

A full technical rehearsal, of **at least 1 hour duration**, shall be scheduled into the event program prior to the performance. This technical dress rehearsal shall include all lighting, audio and stage specifications as previously stated within this technical rider. This technical rehearsal will be conducted by the Wildfire stage manager and the performers. The team shall have full and exclusive access to the stage during this time. The sound operator should be at their stations at the call of the Wildfire stage manager for the full duration of this rehearsal. The Wildfire stage manager shall be supplied with a handheld microphone for the duration of this rehearsal.

##### 5.1.2. Standby Notice

Once the event has commenced, all Hoverboard Dance performers and technicians will wait backstage or in the dressing room. Event organisers, stage crew or the client themselves must ensure that the performers and technicians are given no less

than 10 minutes notice prior to the commencement of the performance onstage, giving them enough time to assume their positions.

## 5.2. Event Delay

### 5.2.1. Penalty Rates

In the event of a scheduling delay of the performance exceeding 1 hour past the agreed performance time, the client will be subject to a penalty fee of \$100 per performer and crew per hour or part thereof.

### 5.2.2. Performer Availability

In the event of a scheduling delay of the performance exceeding 1 hour, *Wildfire Entertainment* dance performer numbers may need to be amended due to performer availability at no penalty to *Wildfire Entertainment*. Penalty rates stipulated in will apply for all remaining performers and crew.

## 5.3. Additional Rehearsal or Client Viewing

All rehearsals (excluding the on-site technical rehearsal) by the *Wildfire Entertainment* crew are conducted privately. Should the client require additional viewings either prior to or on the event date, additional charges may apply. These conditions vary according to the client's specifications and shall be discussed with *Wildfire Entertainment* with reasonable notice.

# 6. Video and Photo Footage

## 6.1. Video Footage

Any professional video recordings of Hoverboard Dance performance(s) shall be copied and sent to the Wildfire Holdings Pte Ltd Stage Manager in digital format within 30 days of the close of the event.

## 6.2. Photo Footage

Any professional photo footage of Hoverboard Dance performance(s) shall be copied and sent to the Wildfire Holdings Pte Ltd Stage Manager in digital format within 30 days of the close of the event.
